

The image shows three sheets of graph paper, each with a vertical axis on the left side. The first sheet has a vertical axis labeled from 1 to 60 in increments of 1. The second sheet has a vertical axis labeled from 61 to 100 in increments of 1. The third sheet has a vertical axis labeled from 101 to 140 in increments of 1. Each sheet is a grid of 10 columns and 40 rows. The grid lines are black and the background is white. The sheets are slightly overlapping, with the second sheet on top of the first, and the third sheet on top of the second. The text 'BEST AVAILABLE COPY' is printed vertically on the left side of the first sheet.
